

RUGBY PAPER READER OFFER

The Wooden Spoon Rugby Yearbook 2019

Now in its 23rd year, The Wooden Spoon Rugby Yearbook 2019 annual is firmly established as the only illustrated yearbook produced for the rugby enthusiast.

With a foreword by HRH Princess Royal, many of the country's leading rugby writers reflect on the happenings of the past season and look ahead to what is in store for 2019 including the World Cup in Japan.

All aspects of rugby - club, internationals, women's, sevens, youth - are all covered in a book which celebrates winners around the world and also tackles some of the issues that rugby faces as it continues to attract larger audiences both at the grounds and on television.

Royalties go to the Wooden Spoon rugby charity which has raised millions for disadvantaged children and young people.
